

THEME:

Chasing Freedom that Satisfies

CONVERSATION:

1. Where are you from & what's something your **hometown** is really good at or known for?
2. Was there a **really good moment** this summer you'd go back & live all over again if you could?
3. What's something you're excited about or **hopeful** for in Chi Alpha this year?
4. How do you feel about Kevin's theory? >> We do crazy, sometimes risky things in part because we're chasing freedom.
5. How about this idea? >> there's one **freedom** that rules them all > **soul-level freedom**. Without it we're never truly free.
6. If soul-level freedom is so good & we all want it so much - why are we so bad at finding it?

- a. Check out **John 8:31-32** one more time >

31 Jesus said to the people who believed in him, "You are truly my disciples if you remain faithful to my teachings. **32** And you will know the truth, and the truth will set you free."

- b. What does Jesus mean by 'true disciple'?
- c. Can you think of an example of a teaching or **truth** of Jesus' that leads to freedom?
- d. What are some **first steps** we can take individually & as a group to **chase** freedom & adventure for our soul this semester?

RESPOND:

Can we start taking some of these **steps** this week? What's it going to take?

Pray for each other > pray about needs you have this week > pray about the obstacles you need to climb in order to reach the kind of freedom we just talked about.

When will we meet again?
